☐Receive information from ACCM

App Review Details

Complete as many of the details as you can below. They will be consolidated into a few paragraphs.

The different fields are to assist you in providing the information we are seeking for reviews.

App Name *Please provide the name of the app that you wish review*

Developer's Name

Developer's Suggested Age Suitability

Platform	Cost
☐Apple Apps Store	☐Free
☐Google Play	☐Paid
☐Facebook	

Short Description of the App
Is this app a game, social media app, reading app, or other?

Web page link to App being reviewed.

Reviewers Suggested Ages.
For which ages would you suggest this app would be suitable?

The level to which the game was reviewed.
Games can have many different levels and sometimes the way in which the game is played changes as a player progresses through the levels. To what level have you played this game to write this review?

Add to the Children and gambling watch list?
Do you think this app should be listed on the Children and Gambling watch list? This lists games that promote casino style play, or includes elements of gambling-type play.

☐Yes
☐No

Gambling Content
*If yes in the above field, please provide some examples of types of gambling you have discovered in this game. (-Gambling is defined here as play in which the player is risking money or **something of value** on an outcome of an event involving chance when the probability of winning or losing is less than certain.- for example, casino style gambling games.*

Description of how the App works.

Describe in your words what this app does, or if the app is a game, the basic elements of play in the game. Avoid using developer's notes in this area; see the reviews already posted as examples.

Reviewer's Comments

Share here your experience of the app and what it required from you, describe how the game is played and progresses; what learning opportunities the app might provide.

In app purchasing information

Describe here situations where the app may require you to make purchases to continue using the app, or how the app suggested other purchasing options.

Online information

Did this app request personal information or an online profile to be shared?
If so please describe situations where this occurred.

Advertising and Product placement

Did this app promote or advertise any products?
If so please provide examples.

Gender stereo types and sexual references

Did you notice any gender stereo types or sexual references?
If so please provide examples.

Coarse Language

Did you notice any Coarse Language?
If so please provide examples.

Game playing behaviour which may be of concern to parents

Playing games can be a fun, but there can be some elements of play where the player must act out behaviours which could be of concern to parents. These behaviours can include the use of violence, or substances, taking risks which have adverse consequences in real life, or undertaking actions which could be considered illegal acts.

Other comments

Information which does not fit into the other headings.
